Canadian Cable/Satellite Channels

List of Bell TV channels

The following is a list of channels carried by Bell TV, a satellite television provider in Canada, and their IPTV service Bell Fibe TV.

Note: channels in this list are listed numerically, thus due to channel alignment, some channels may be grouped in a category it may not belong to.

Bell TV channel lineup

[edit] Legend

HDTV
Requires an MPEG-4 AVC capable satellite receiver

List of Cogeco Cable Ontario TV Channels

The following is a list of channels carried by Cogeco Cable in the province of Ontario, Canada.

Note that Cogeco Cable has a different analog lineup[1] for each cities, so the analog channels section lists only the 4 biggest cities in different markets of the province. The other sections reflects the channel lineup of the whole network in the province, but some channels may be missing due to network capacity or license restrictions.

Cogeco Cable Quebec has a totally different lineup.

Cogeco Cable Ontario channel lineup

List of Vidéotron Illico TV channels

The following is a list of channels carried by Vidéotron Illico TV, presented in numerical order.[1] Note that Vidéotron's analogue cable TV service has a different lineup.

This list reflect the channel lineup of the whole network, and all the variations. The Notes column indicates the area.

The **HD** column indicates the position of the HD position. The **SAP** column indicates the availability of Second audio program which is often used for Descriptive Video Service or a different language.

Vidéotron Illico TV channel lineup

TABLE KEY		
Sports	Adult	Music

[edit] 1. Basic channels
